

ABDUL TARIQUE WARSI

AI & ROBOTICS EDUCATOR | 5-AXIS CNC & INDUSTRIAL AUTOMATION SPECIALIST

Phone: +91 8770463418 | Email: abdultarique5@gmail.com | LinkedIn: linkedin.com/in/abdul-tarique-warsi | GitHub: github.com/ATWISHERE | Jabalpur & Bhopal, MP, India

EXECUTIVE SUMMARY

Multidisciplinary Robotics Educator and Precision Manufacturing Specialist combining hands-on 5-axis CNC machining (DMG MORI, Siemens Sinumerik) with micro-controller telemetry and STEM mentoring. Honored as Most Outstanding Student of the Year (2024) at Global Skills Park Bhopal and 90.3% Board Topper.

TECHNICAL PROFICIENCIES

CNC & Machining:	5-Axis DMG MORI, Siemens Sinumerik 840D, Heidenhain TNC 640, Fanuc, G-Code/M-Code
Robotics & Hardware:	Arduino, ESP32, Raspberry Pi, PWM Motor Drivers, Drone Aerodynamics (ELRS/Betaflight)
Industrial Manufacturing:	High-tolerance bearing fabrication (Omega Renk Bearings), GD&T, CMM Quality Inspection
Instruction & Mentorship:	Robotics Curriculum Design, Prototyping Lab Management, 150+ Students Mentored

PROFESSIONAL EXPERIENCE & ACHIEVEMENTS

Lead AI & Robotics Educator — Jabalpur Robotics Innovation Lab

- Mentored over 150 students in competitive robotics, circuit prototyping, and autonomous drone assembly.
- Built dual-channel oscilloscope telemetry testbenches for PWM motor control and ultrasonic sensor calibration.
- Coached youth teams for national STEM and drone racing competitions with top podium finishes.

Precision CNC Machining Specialist — Omega Renk Bearings

- Programmed and set up 5-axis DMG MORI machining centers producing spherical roller bearing housings.
- Optimized cutting toolpaths and feed rates, achieving a measured +20% cycle efficiency increase.
- Maintained ISO 286-1 JS6 precision tolerances (within ± 0.008 mm) with zero scrap defect rates.

Autonomous Drone & Embedded Telemetry Prototyping

- Built custom carbon-fiber racing quadcopters featuring 4S LiPo power distribution, DShot600 ESCs, and ELRS 2.4GHz.
- Developed embedded logging scripts in Python to analyze pitch, roll, and G-force flight telemetry.

EDUCATION & HONORS

- Global Skills Park Bhopal** — Advanced Precision Manufacturing & CNC Specialist (Most Outstanding Student 2024)
- Govt. ITI Jabalpur** — 90.3% NCVT Board Topper (State Rank 1)
- Bhabha University** — Bachelor of Technology in Computer Science & Engineering
- HarvardX CS109x** — Verified Data Science Certification
